

Mau Dan Gardens Application for Joint Membership

I am currently the principal member for unit _____

I request that _____ who is living with me in this unit, become a joint member with me.

I realize that the value of the share purchase will be jointly held between us, that I am effectively giving half of the share purchase to _____

Signature of current principal member

Should the board agree to make us joint members, we realize that we will both be equally responsible for the unit and the housing charges and any levies associated with it. Should one of us vacate the unit for any reason the other will be able to remain and will be responsible for all costs. There will not be a principal member for this unit and both of the joint members will have to sign any notice to vacate. We recognize that we will both have a vote at general meetings.

Signature of current principal member

Signature of applicant for joint membership
